# Day Drunk

## CC Madcap

It's two in the afternoon
Not sober, Trying to find something to do (do, do)
Tell me baby where are you (you, you, you)

It's three, Had another dream
Day dreaming about what you do to me
And what you mean to me

I won't forget to be your lover
I won't forget to be your lover
Even when the times gets rough
I won't forget to be your lover (2x)

I won't forget to be your... (I won't forget to be your)

I feel it in my chest
Can't sleep, no I can't rest
Oh the feeling's strong
I keep holding on

I hear the music
But all I can think about is you

Oh I feel your touch
And you're all I'm thinking of
And I want you to know
I'm day drunk off your love

I'm day drunk off your love (4x)

I won't forget to be your lover
I won't forget to be your lover
Even when the times gets rough
I won't forget to be your lover (2x)

I won't forget to be your...

I wanna call you up
But it might be too much
See I'm on a high

You're how I survive

I got a problem
I think I'm addicted to you

Oh I feel your touch
And you're all I'm thinking of
And I want you to know
I'm day drunk off your love

I'm day drunk off your love (4x)

I won't forget to be your lover
I won't forget to be your lover
Even when the times gets rough
I won't forget to be your lover (2x)

I won't forget to your...

I won't forget to be your lover
Even when the times get rough
I won't forget to be your lover

(I'm day drunk of your love..)
