

War, Wisdom and Rhyme

Baroness

Only an angel can feed
On ashes and ovaries
Blame the pagans and saints They are one War, wisdom and rhyme
The peach and the rattlesnake We are grave
We are graves
We will die Maybe the saw grass did feel
Burnt confederate steel
Spoil't milk on the grave We were wrong War, wisdom and rhyme
The catfish and bayonet We are grave
We are graves
We will die Grave fire
War, wisdom and rhyme
