

You Gotta Feel It

Spoon

You gotta feel it, yes, you gotta feel it
To get it right even one time You gotta feel it, don't take notes
Just clear out your mind
Let go your pride, feel it inside
It's a, it's a, it's a You gotta feel it or I suspect
You'll wind up where you don't want to get It's a long way home
When you're trying to find your way
With a bag full of books The notes that you took
A compass and stick
And the sevenths and sixths
It's a, it's a, yes sir To feel it, to feel it, yeah
You gotta feel it
Oh, you gotta feel it, yeah Oh, you gotta feel it alright
Oh, you gotta feel it alright
Oh, you gotta feel it alright
