

# I'll Always Be Your Mom

[Aimee Zimmermann](#)

I remember, holding you in my arms  
And now I'm looken out the window  
Watchen you play in the yard  
How does time go by so fast  
Sometimes I wish I could go back  
And do it all again you see  
Because you mean that much to me

Chorus...

I'm the one who loved you from the start  
You are the one forever in my heart  
And no matter where you go  
Or who you may become  
One thing that will never change is  
I'll always be your mom

It's a wonder just watchen you grow up  
Seein the world through your eyes  
All the precious things you say and do  
How you make my heart melt when you smile  
I know that someday you will leave  
You have to go and chase your dreams  
But when you're out there on your own  
I hope that you will always know that...

chorus

I'll be there if you should call in the middle of the night  
No matter what is goin on  
I will try to make it right  
And I know that I have made mistakes  
And I'm bound to make some more  
But there's nobody on this earth  
That'll ever love you more  
Chorus
