Mr. Nice Guy

Mr. Bungle

There's nothin' that I wouldn't do for you
'Cuz I'm pottie, trained like a great dane
Have a nice dayIncubus in disguise, Lord of the flies
A pile of shit dressed up to appetize
The main course, degradation a la mode
You accept the invitation
I know how to treat a ladyI'm a fountain of love like Christ
So shower in the golden jewelry of my balls
Eagerly you suck it down like a pig in a toilet
In a vacuum, in a tornado, in a black holeTurbulent, whirlpoolLike yin and yen, the doggie is my best friend
I think I need a foxy terrier
With a capital T that rhymes with D
That stands for derrire
To bark for me and keep me companyYou look so nice
With your nose in the dirt
You're my puppy
Bend over and lick yourselfAnd when you sleep, I'm sitting on your chest
Say it's a dog's life so you do what you gotta do, do
Doggie bitch, let me drill my own hole
I don't need a seed to grow my dick weed
I'm the one you want, the one you get
Shit sucking, butt fucking nerdI'm a sadist, I'm a geek, I'm a coprophagist
I shit, you eat my poop, you shit, I eat your poop
I shit, an infinite push pull
Hedonism trading fours
You scratch my back I'll scratch yoursIncubus, succubusLike Dick and Jane, the K9 method is fucking insane
It's love, it's dog eat dog, eat dog
With a capital D that rhymes with tree
That stands for pee pee
Your knight in shining armor
Ain't no nice guy at allI am the devil who's under the skin
I hide in the smile and aim for the quim
God is my tactic and nature's my game
Forget all your opinions, baby
Because I will always win, lesbianThe ritual, I urinate chivalry
Instinctual 'cuz I'm such a gentleman
You look so nice with your nose in the dirt
