

# Zoe Jane (Radio Edit)

## Staind

Well I want you to notice  
To notice when I'm not around  
To notice your eyes see straight through me  
And speak to me without a sound I wanna hold you  
Protect you from all of the things I've already endured  
And I wanna show you  
Show you all the things that this life has in  
Store for you  
And I'll always love you  
The way that a father should love his daughter When I woke up this morning  
I cried as I walked to the door  
I cried about how long I'll be away for  
I cried about leaving you all alone I wanna hold you  
Protect you from all of the things I've already endured  
And I wanna show you  
Show you all the things that this life has in  
Store for you  
And I'll always love you  
The way that a father should love his daughter Sweet Zoe Jane  
Sweet Zoe Jane So I wanted to say this  
'Cause I wouldn't know where to begin  
To explain to you what I have been through  
To explain where your daddy has been I wanna hold you  
Protect you from all of the things I've already endured  
And I wanna show you  
Show you all the things that this life has in  
Store for you  
And I'll always love you  
The way that a father should love his daughter Sweet Zoe Jane  
Sweet Zoe Jane
