## B.o.B

[Intro - Sportscaster talking]

Incredible! Incredible! Oh my God. Ladies and gentlemen  
you have just witnessed world history being made

Bobby Simmons, takes it to the hole, dunks it  
overtime three seconds left, oh my God! Yeah! [Chorus]

I am the champion (champion, champion) (okay)  
I am the champion (champion, champion) (did he just get serious in here?)  
Lights, cameras, action (action, action) (I think it did)

Whenever I play  
Now say. I am the champion (I am the champion)  
I am the champion (I am the champion)  
I say I am the champion (I am the champion)  
I am the champion (I am the champion) [Verse 1]

Okay Bob hit the stage now  
Lights and cameras on  
Yes I'm givin them want they want  
But no, I will not ever conform  
Cause I'm outside of the norm still  
What a spectacular form  
From the blood sweat and the tears shed  
Every time I perform  
And whenever your doin' your thang  
Yep, people gonna hate on it usually (that's right)  
But I'm just as human as you  
I just look good while doin' it  
And they telling me I have so much dope I won't know what to do with it  
Well until then  
I'm gonna continuin' maneuverin'  
Because [Chorus]

I am the champion (champion, champion) (What a spectacular athlete)  
I am the champion (champion, champion) (If I do say so myself)  
Lights, cameras, action (action, action) (hahaha, seriously)

Whenever I play  
I say. I am the champion (I am the champion)  
I am the champion (I am the champion)  
I say I am the champion (I am the champion)  
I am the champion (I am the champion) [Verse 2]  
I look in the mirror and laugh  
Like look at what I've become

Everyone calls me Bob but I'm still my mother's son  
And I'm low key when I'm out now, hell no, fame ain't fun  
But I stay Live like NBA on yo' Playstation  
And I entertain' cause I'm in the game  
It's easy to see I ain't into fame  
Cause I ain't  
And critics say that I imitate, but I really can't  
Please allow me to demonstrate  
But no matter what they say  
I stay charged up like a triple A  
Really maine?  
Really maine[Chorus]  
I am the champion (champion, champion) (I wake up and piss excellence)  
I am the champion (champion, champion) (All day)  
Lights, cameras, action (action, action) (Please hold your applause)  
Whenever I play (I'm kind of a big deal)  
I say. I am the champion (I am the champion)  
I am the champion (I am the champion)  
I say I am the champion (I am the champion)  
I am the champion (I am the champion)[Sportscaster talking]  
Wow, it seems like the crowd is pandemonium!  
This is pandemonium!  
The crowd is rushing the court.  
And it seems like they're chanting for...

Hoo hoo you be too scared you need to go home  
Hoo hoo you be too scared you need to go home  
Hoo hoo you be too scared you need to go home  
Yeah you need to go home  
Yeah you need to go home[Chorus]  
I am the champion (champion, champion) (Hey what can I say?)  
I am the champion (champion, champion) (hahaha)  
Lights, cameras, action (action, action) (Please, no interviews)  
Whenever I play (hahaha)  
I say. I am the champion (I am the champion)  
I am the champion (I am the champion)  
I say I am the champion (I am the champion)  
I am the champion (I am the champion)Whenever I  
Whenever I play
