

You Complete Me

Nesian N.I.N.E.

I never knew love was real
Till you walked into my life
All of my fantasies, came true before my eyes
And just the thought of you'
Puts a smile upon my face
My life is now changed, everything just falls in place
It's been a long time since I've felt real happiness
Soo I thank you baby, cause I feel truly blessed
You must be an angel sent from above
The true definition of Love
'How could this love be soo real?
I can't explain how I feel
But one thing is for sure, each day I love you more
My baby can't you see?
You complete me
Every day and night, I think of you
Thank the good lord that you're my Boo
From the highest mounatin to the deepest sea
This love we share is Infinity
Everything you do, I appreciate
You're truly my soulmate and I love you soo deep
It's been a long time since I've felt real happiness
Soo I thank you baby, cause I feel truly blessed
You must be an angel sent from above
The true definition of Love
'How could this love be soo real?
I can't explain how I feel
But one thing is for sure, each day I love you more
My baby can't you see?
You complete me
But one thing is for sure
Each day I love you more
My baby can't you see?
You complete me
