

Golden Child

[DJ Sammy](#)

Golden child
When ever you feel lonely
I'm on your side
No matter where you go
I will be there
You always find my shoulder
So don't cry, my golden childMy golden childMy golden childGolden child
Whenever you feel lonely
I'm on your side
No matter where you go
I will be there
You always find my shoulder
So don't cry, my golden childGolden child
Whenever you feel lonely
I'm on your side
No matter where you go
I will be there
You always find my shoulder
So don't cry, my golden childMy golden childMy golden child
