

# If I Had a Dollar

Samantha Crain

It's like I'm working everyday saving every cent.  
All the old tricks that I know only hurt my head.  
When I'm walking in the streets at night riches everywhere.  
Only thing I'm thinking of IS how to get you back  
    I could buy myself a house  
    I could get myself a car  
    Have all the tea in China  
    smoke the best Cuban cigars  
    go to all of the party  
    where they bring the silver spoons  
oh if I had a dollar for every minute I'm missing youWhen you see me on the avinue  
    in my finest clothes  
no I cash in all the time I spent  
    trying to let go  
Yeah I got myself set up real nice crazy what money can buy  
all these new friends that I got always want me highI could buy myself a house  
    I could get myself a car  
    Have all the tea in China  
    Smoke the best Cuban cigars  
Go to all of the parties where they bring the silver spoons  
oh if I had a dollar for every minute I'm missing you.
