

...A Brief Intermission (Skit)

Royce da 5'9"

And now... for a brief intermission...*

Feel free to us!

Smoke some weed... do some coke, drink some Henny, go to the strip club where you can tip a bitch!

Uh... get your money from your whores!

You can read a book, you can uhm... brink a beer.

What the... the people are here don't drink beers anyway!

And drink beer is so 70's!

I get a haircut?

But gettin' haircut's not really gangster!

Not in there intermission you're gettin' fuckin' haircut!

You do coke or drink a beer, smoke weed or fuck a bitch!

You don't fuckin'... get haircut!

And a haircut takes 4 hours!

Choke a bitch?

Okay!

Even "choke a bitch" is kinda... 2005!
