

Akaal (feat. Trevor Hall)

Ajeet Kaur

Mother, I feel you under my feet
Father, I hear you
Your heartbeat within me
My spirit flies free Carry me home
Carry me home Mother, I feel you under my feet
Father, I hear you
Your heartbeat within me
My spirit flies free Carry me home
Carry me home
Carry me home

(Akaal, Akaal, Akaal) All my relations, I can hear you loud
The story circles, it comes back around
We chant Akaal and watch them all go through
That door I never saw, I never knew, me and You We come from earth and water
Straight from that mountain's daughter
Back to the Mother we must journey now
We ride it up up on the wings of sound, hear it now
That holy tree is upside down, branches in the ground
Those roots and sky, open third eye, now pass the nectar 'round
Inside the heart is that eternal space
That melody showed me my own true face, yeah You chant Akaal, I chant Akaal
All in the One, One in the all
Love on the rise, it never falls
Reach out your hand and I can pull you in
Reach out your hand and I can, pull you in Akaal (Akaal)

Akaal Can you see the faces of the mothers of your past?

Listen, they are calling for your healing (Akaal)

Can you see the faces of the fathers of your past?

Listen (Akaal) they are calling for your healing (Father I hear you)

Can you see the faces of the mothers of your past?

(Akaal) Listen, they are calling for your healing (Mother I feel you)

Can you see the faces of the fathers of your past?

(Akaal) Listen, they are calling for your healing
