

# The Promise

Brian Courtney Wilson

CHORUS:

Your goodness and Your mercy  
Will follow me everyday  
And I will dwell in Your presence  
Forever and ever

(repeat as directed)VERSE:

For the rest of my days  
I will honor Your ways  
And I'll give you my life  
As a living sacrifice  
And I will never be afraid  
'Cause I realize You cannot lie  
There is a promise You have made  
Concerning me.VAMP:

Nothing can separate me from Your love  
You're walking with me every step of the way  
Even if I stumble or I fail  
You promised me You would never leave  
(repeat as directed)I'm walking in the promise  
I'm living in the promise  
Holding onto the promise  
Even if I stumble or I fail  
You promised me You would never leave (repeat)
