

Catch the Wind

Donovan

In the chilly hours and minutes of uncertainty
I want to be in the warm hold of your loving mindTo feel you all around me
And to take your hand along the sand
Ah, but I may as well try and catch the windWhen sundown pales the sky
I want to hide a while behind your smile
And everywhere I'd look your eyes I'd findFor me to love you now
Would be the sweetest thing, it's what'd make me sing
Ah, but I may as well try and catch the windDee dee de de dee de de de deeWhen rain has hung the leaves
with tears
I want you near to kill my fears
To help me to leave all my blues behindFor standing in your heart
Is where I want to be and long to be
Ah, but I may as well try and catch the windAh, but I may as well try and catch the wind
Ah, but I may as well try and catch the wind
Ah, but I may as well try and catch the wind
