Holes

Malachai

Holes, not to get in, holes not to fit in
and I wanna know what i'm told i'm not to know
unlock the door and let me in
we'll knock the door down let me in
we're told not to listen
holes, what we're missing
and i wanna know what i'm told i'm not to know
unlock the door and let me in
we'll knock the door down let me in
