

# Faith Healer

Alex Harvey

If your body's feelin' bad  
And it's the only one you have  
You want to take away the pain  
Go out walkin' in the rain.  
You watch the flowers go to bed,  
Ask the man inside your head  
Your spirit never has to grieve  
All ya got to do's believe.  
The faith healer  
The faith healerAll ya got to do is feel  
Your body's going to start to heal  
The fingertips of holy fire  
Everlasting sweet desire  
It don't matter what the doctor said  
The healer man will sail away  
Immortality for two  
The miracles, they will come to youThe faith healer  
The faith healer  
Can I put my hands on you?  
Can I put my hands on you?  
The faith healer  
The faith healerFaith, and hope and charity  
The simple relativity  
He can make you understand  
All you've got to do is take his hand  
It don't matter what somebody said  
Ask the man inside your head  
The fingertips of holy fire  
Everlasting sweet desire
