Reporter: ok so, this year you
Released five albums at the pace of
One album a month.
I'd like to ask you,
What was the idea
Behind this project?Maki and konishi: (laughs)Maki: we wanted to give people
Reason to talk about us nonstop.Konishi: that's right.Reporter: I see.
And what is the connecting idea
Behind the five albums?Maki: connecting idea?
I wonder if there is one.Konishi: (laughs)Maki: well, I think you can say that... mmm...
Well... the full album, this year's girl, will be
Released on the first of september.Reporter: yes...Maki: ok so at the beginning we had
This concept, the age of female
Superiority. and the rest of the project
Flowed from that. I think.
