

# Unify

## Butane

I falls off into a party in the N.Y.C.  
Niggaz lookin' at me strange but they lovin' my chain  
Bang bang, same thang, game came when I left 'em  
I do it by my lonely now I'm the big homie  
But I'm his royal slickness, ghetto weakness, come Rick is  
The one who expose cornball rappers with the quickness  
Uhh, who bum from and who balls you hung from  
Wouldn't give a fuck what part of the country you come from  
I'm Snoop Dogg, I'm smooth and imperial  
I wake up every morning to my lucky charms cereal  
Times get drastic, yeah, I'm a classic  
Dogg Pound Gangsta chokin' off that boombastic  
Now put my verse on the first one-beat the herds come  
So be careful 'coz my rap will make you eat your words, son  
(Word to God)

Scratch I? Who the hardest to match

(I)

Bright rewrite, you're still garbage to patch  
Haven't you heard? I'm loose, shook the Feds like The Juice  
Snoop Dogg is a hundred-and-twenty-first proof  
Fool usea deuce-deuce of some genuine, draft  
I'm genuine, like Vinny's whinin' all about cash  
Cash, cash, so indeed I got the weed  
And keep the lighter for the hash, has it  
Ever been a time when you didn't have a dime  
And the only way to get it was to go and do a crime?  
Many underclothes hangin' on the hoes, since  
(Snoop, Slick Rick)

Crushed anyone opposed

(Lot of ladies)

Pop Cristal, toast to all those like

(Kid Capri)

Helpin' to unify both coasts  
Many underclothes hangin' on the hoes, since  
(Snoop, Slick Rick)

Crushed anyone opposed

(Lot of ladies)

Pop Cristal, toast to all those like

(Kid Capri)

Helpin' to unify both coasts  
I'm shredding your temple, none, 'head of the emperor  
Washed up, gang member? Better remember  
I wipe my feet upon a rapper like a doormat  
I hit 'em where they sit around actin' hardcore at  
Thank God for the guardians, in light of this  
Rappers always beg for me to show them who the mighty is  
Gats gonna limp, snaps on a kid  
That always wanna start rappin'  
Boy, they're not gonna win  
And wanna dash at lethal or evil  
Could a king bring style and class to black people?  
Stick a whole log in and he buggin'  
'Coz I represent self, with my man Snoop Dogg and them  
I drop a pile of semen on 'em  
Even in a Yugo I could take they woman from 'em  
I make the hardest chew the kewl of this  
Kid Capri, know the part of peasant, who the ruler is?

Many underclothes hangin' on the hoes, since  
(Snoop, Slick Rick)  
Crushed anyone opposed  
(Lot of ladies)  
Pop Cristal, toast to all those like  
(Kid Capri)  
Helpin' to unify both coasts  
Many underclothes hangin' on the hoes, since  
(Snoop, Slick Rick)  
Crushed anyone opposed  
(Lot of ladies)  
Pop Cristal, toast to all those like  
(Kid Capri)  
Helpin' to unify both coasts  
I'm twenty-six, still in the mix  
My hair gettin' longer, my game gettin' stronger  
A nigga been on one, I thank God  
'Coz life in the city of stars is gettin' hard  
And it's odd for a G to get a job  
So I'd rather steal and rob, and mob with my squad  
My homie used to bang, now we follow Farrakhan  
Used to read The Source  
Now all he read is the Holy Qu'ran  
Time brings change and change brings time  
Listen to me hit you with this gangbang rhyme  
Nigga, whattup, who up, you up

Doggy Dogg is on the mic  
I'm here to fuck it izzup  
I give it to y'all, like you really got to have it  
Dogg Pound Gangstaz, boy this shit is gettin' tragic  
But I'ma make me a grip and dip quick  
And fuck with my nigga Kid Capri on this G shit  
Dial tail and bail with my nigga Slick Ricky  
And all you niggaz talkin' bullshit can just miss me  
Can't twist me, you fuckin' paper haters  
I'm dippin' in my nine-eight gold Navigator  
I'm dippin' like a lo-lo  
Bouncin', smokin' ounces, fo' sho' doe  
Many underclothes hangin' on the hoes, since  
(Snoop, Slick Rick)  
Crushed anyone opposed  
(Lot of ladies)  
Pop Cristal, toast to all those like  
(Kid Capri)  
Helpin' to unify both coasts  
Many underclothes hangin' on the hoes, since  
(Snoop, Slick Rick)  
Crushed anyone opposed  
(Lot of ladies)  
Pop Cristal, toast to all those like  
(Kid Capri)  
Helpin' to unify both coasts  
Many underclothes hangin' on the hoes, since  
(Snoop, Slick Rick)  
Crushed anyone opposed  
(Lot of ladies)  
Pop Cristal, toast to all those like  
(Kid Capri)
