Only One

Smith Westerns

Can you feel what I'm feeling?
What is this? Just a maybe?
Spend my time wondering if you're
Fallen in love with me
With me'Cause I want you to feel
What it's like
'Cause I want you to feel
What it's like
To be loved and always rightEverything that I am doing
I do it just for you
If you say I'm not liable
Dreams never do come true
With you'Cause I want you to feel
What it's like
'Cause I want you to feel
What it's like
To be loved and always right
To feel just right'Cause it's hard
'Cause it's hard
'Cause it's hard
'Cause it's hardDoes it feel as though you are
Ooh, now that you're my only one?'Cause I want you to feel
What it's like
'Cause I want you to feel
What it's like
To be loved and always right
To feel just right
