

Reasoner

Dogwood

But there's something else there
It's in all our hearts
On the tip of our tongues
And you don't believe But what if there is?
What if you're wrong?
And what if you're wrong? They don't understand
It's like you got framed
People are dumb
You take all the blame You're all that I need
You're all that I have
You're all that I want
