

# Will You Be OK

702

Will you be ok  
If I go away?  
Wish that I could stay  
Say you'll be okBaby, I know that it hasn't been long  
And yet it seems our likin' has grown into love  
Baby, you know that we knew all along  
That in a little while I'll be gone  
Still I need to know, if I goWill you be ok  
If I go away?  
Wish that I could stay  
Say you'll be okBaby, I can tell by the look in your eyes  
You're tryin' to hide what you're feelin' inside but go on and cry  
Baby, I know I can't promise you when  
But we're gonna see each other again  
Until then I gotta know if you're okBelieve me, I don't really wanna believe in  
That you can always call me when you need me  
It'll be ok, it'll be ok  
You know, it doesn't really matter where I go  
'Cause I'll be keepin' you in my heart  
So you're never far awayWill you be ok  
If I go away?  
Wish that I could stay  
Say you'll be okWill you be ok  
If I go away?  
Wish that I could stay  
Say you'll be okBelieve me, I don't really wanna believe in  
That you can always call me when you need me  
It'll be ok  
You know, it doesn't really matter where I go  
'Cause I'll be keepin' you in my heart  
So you're never far awayWill you be ok  
If I go away?  
Wish that I could stay  
Say you'll be okWill you be ok  
If I go away?  
Wish that I could stay
