

Rumour Has It

Kim Mitchell

Rumor has it, you used to be one, are you really one?

Right before my eyes you defy the rumor

Rumor has it, you used to be one, are you really one?

Right before my eyes you defy the rumorDon't give me those silent stares now

I'm your brave one, I'll be brave

Rumor has it, I'm not the first one

But I'm your number oneWhen I got a will now, I got a way nowDon't give me those silent stares now

I'm your brave one, I'll be brave

I'm your hope, yield and caution

I'm your brave one, I'll be brave
