

# Black Star

## Queen of Hearts

Bla-bla-bla  
Bla-bla-bla black star  
Bla-bla-bla  
Bla-bla-bla black star

???

Control me ???

I like the way it goes

Open up my window, I'm sweeping into the shining ???

Stay away ???

it makes me feel whole

Feeling so

Hold my ??? And dreams, It's nothing extreme ???

Throw my head in your heart

Ready for your answer

Tie me in your skin

??? this is our beginning

You can be my black star ???

Twisted, ???

Now we're going too far

Cold in emotion

Love me like you hate me

Hate me like you love me

??? energy wish

For my black star

Black star

??? deadly

You ??? me

Hold my body close

???

I search but no one's out there

Burn a ???

For ???

??? my heart

Break apart

Feel my ???

Throw my head in your heart  
ready for your answer  
tie me in your skin  
?? this is our beginning

You can be my black star ???  
Twisted, ???  
Now weâ€™re going too far  
Cold in emotion  
Love me like you hate me  
Hate me like you love me  
??? energy wish  
For my black star

Bla-bla-bla  
Bla-bla-bla black star  
Bla-bla-bla  
Bla-bla-bla black star, black star, black star, black star

You can be my black star ???  
Twisted, ???  
Now weâ€™re going too far  
Cold in emotion  
Love me like you hate me  
Hate me like you love me  
??? energy wish  
For my black star (black star)
