Summertime Girl

Shwayze

Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Ill do anything that you want me to
Chillin in school, back of the class
Acting a fool, tryna make you laugh
I had a question and I was waiting to ask
But the bell rang and you was gone in a flash
Three weeks later I was sitting on the beach
Sipping on a brew, you were looking at me
I gave you a smile, you threw me a wink
Took a sip of my drink, you were gone in the blink of an eye
Next time, Imma think of a line
To tell you how I feel inside
Cause baby girl, youre always on my mind
Baby girl, youre always on my mind
Looking at your flicks online
Following your tweets
Waiting for a not reply
Cause its summertime
And you cant spell that without U and I
Hold on baby, dont go nowhere
Just stay put, I need you there
I got something that I wanna share
I got something that I wanna share
With you, its true
Ill do anything that you want me to
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Ill do anything that you want me to
When its the middle of the day in the middle of May
You know summertimes just a minute away
Im like F that!, I aint getting an A
So I skipped class and head to the bay
Sunshine, sea spray, Buzzin on replay
Its so hard, thats what she say
Little Miss Sunshine, no tan line
Laying on her belly and Im looking at her behind

Wondering if maybe shell be my summer chick
And I can be a Big Mac lovin it
Cause baby girl, youre always on my mind
Baby girl, youre always on my mind

Looking at your flicks online
Following your tweets
Waiting for a not reply
Cause its summertime
And you cant spell that without U and I
Hold on baby, dont go nowhere
Just stay put, I need you there
I got something that I wanna share
I got something that I wanna share
With you, its true
Ill do anything that you want me to
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Ill do anything that you want me to
All my summertime girls in this party
I know I see you looking at me
Come here, love is free
From California out to NYC
I got a summertime girl out in Miami
I got a summertime girl down in ATL
I got a summertime girl in Texas, baby
Shes hot as hell and the sex is crazy
Craz-craz-craz-craz-craz-crazy
Naw, Im Shwayze
Hold on baby, dont go nowhere
Just stay put, I need you there
I got something that I wanna share
I got something that I wanna share
With you, its true
Ill do anything that you want me to
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Ill do anything that you want me to
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Summertime girl, youre my summertime girl
Ill do anything that you want me to
Ill do anything that you want
