

# Imperia

## Fountains Of Wayne

The day you drew your final breath  
And parted from the earth  
Is carved into the stone that bears  
Your name and date of birth Ooh, ooh, ooh, ooh, ooh Imperia  
Ooh, ooh, ooh, ooh, ooh, ooh Imperia He was leaning over you  
With flowers in his hand  
Tryin' through the years to see  
The heart inside the man Ooh, ooh, ooh, ooh, ooh Imperia  
Ooh, ooh, ooh, ooh, ooh, ooh Imperia
