

Soul Repair

Angela Predhomme

Soul Repair

Say that you love me
You know just what I crave
Coax me so subtly
In your own special way
Feel my touch linger
Even when you're away
'Cause you got the single
Bait that's keeping me crazed

(Prechorus)

And when life hunts you down
I can help you rebound

(Chorus)

Glide, slide your way to my lovin'
I'll fix you up with such care
Fly to my shelter for cover
Where it's just you and I
for some soul repair

(Verse 2)

When you're surrounded
People pushing your space
You feel confounded
At the end of the day
Tune out that chaos
Know my love doesn't sway
(cause) I got your flavor
Like a midnight buffet
When your mojo's run dry
You know I can provide

(Repeat chorus)

(Bridge)

Here, I'll cradle you softly
All night you're got my ear
Let your arms fall across me

Tell me all of your fears

(repeat chorus)
