

Don't Break My Heart

[**Kate Walsh**](#)

Don't you be saying that I'm lucky
Don't you, no, no, don't you dare say it's okay
 Don't come around being happy
 And don't you be crying without me
 'Cause I'll fall again if I see your face again, my love
And I've done all my crying for you, loveSo don't break my heart again
 Don't break my heart again
 'Cause if I see your face again
You'll break my heart againSo don't you go rolling them blue eyes
 And don't you go pissing on my fire
 Down to the bed where we laid
 And down to the park where we saved ourselves
 I cannot be in matrimony with a dream of love
Like on this silver screams my loveSo don't break my heart again
 Don't break my heart again
 Don't break my heart again
