

Five Hundred Miles

OST "Inside Llewyn Davis"

Tear drops fell on mama's note
When I read the things she wrote
 She said, we miss you girl
 We love you come on home
 Well I didn't have to pack
 I had it all right on my back
Now I'm five hundred miles away from home

Away from home, away from home
 Cold and tired and all alone
Yes, I'm five hundred miles away from home

It's hard to tell the state I'm in
Where I'm going, where I've been
But there's a dream I've been following so long
 If mama knew the things I've done
 She'd forgive them everyone
But I'm still five hundred miles away from home

Away from home, away from home
 Cold and tired and all alone
Yes, I'm five hundred miles away from home

Can't remember when I ate
it's just thumb and walk and wait
And I'm still five hundred miles away from home
 If my luck had been just right
 I'd be with them all tonight
But I'm still five hundred miles away from home

Away from home, away from home
 Cold and tired and all alone
Yes, I'm five hundred miles away from home

Lord, I'm still five hundred miles away from home
