

I'm In Love

The dB's

I love
What I don't understand
And I don't understand this attraction
Surprise, surprise
What's been going on

I've got
I've got no idea
Just how far to press my luck
Surprise, surprise
Now I'm thinking

Any way it turns out
It could turn out any way
It could be this
It could be that
It could be none of the above
Guess I don't understand
Why
I'm in love
I'm in love
I'm in love

I thought
The thought was enough
I thought I knew it all
It's over my head
But I'm still thinking

Any way it works out
You know it could work out any way
It could be bad
It could be good
It could be none of the above
Guess I don't understand
Why
I'm in love
I'm in love
I'm in love

Running away from myself
I fell into someone else
Who didn't know exactly what to think

I love
What I don't understand
But I don't understand what's been going on
Surprise, surprise
Looks like I'm in love

Any way it works out
It could work out any way
It could be this
It could be that
It could be none of the above
Guess I don't understand
No I don't understand
Yes I don't understand

Why
I'm in love
I'm in love
I'm in love
I'm in love
