Lady In White

Lost In the Trees

I've spent it in cold and cold
Such beautiful sorrow
Such beautiful sorrow
The clums, the song falls around our homes
Hand reach for tomorrow
Hand reach for tomorrowAlways, myou're always
Until the rain falling night
Always, you're always
A repeating white lightI will give you,your space
We will speak tomorrow
We will speak tomorrow
Whether if it's rising
The boats scull
There is where I hold you
There is where I hold youAlways,you're always in my mirror night
Always, you're always
A repeating white light
Always, you're always
Meet me in the next life
Always, always
