

# The Last Unicorn (iTunes Session)

## Passenger

Well, we'll kiss for that's how it begins  
And we'll embrace just to warm our skins  
I'll think of her and you'll think of him. And we'll talk to keep the silence from our ears  
And we'll laugh because we're so close to tears  
We're just lonely, you know  
That's why we're Cause you don't taste like you should  
And you don't fit in my arms like she would  
Lying in the dark it's understood  
We are both lost  
And we won't be found. We'll wake up with each other in our paws  
You cover over white bits like I've not seen them before  
We'll say goodbye and then we'll say no more Cause hearts won't buy love nor will they sell  
And there is no love in this hotel  
Though we're walking home we know so well  
We are both lost  
We are both lost  
And we won't be found She was my compass  
And he was your map  
We've come too far to be turning back And we'll sit on our single beds  
Nothing on our hearts and tears on our threads  
For we know the last unicorn is dead
