

Cut Chemist Suite

Cut La Roc

Ah yea party people, here we go Party people, rocks da house

Party people, rocks da house

Party people, rocks da house

Party people, rocks da house Party people, rocks da house

Party people, rocks da house

Party people, rocks da house

Party people, rocks da house Y'all want some more?

Y'all want some more?

If y'all want some more

Let me here you say yeah

Let me here you say hell yeah, hell yeah Party people, rocks da house

Party people, rocks da house

Party people, rocks da house

Party people, rocks da house Party people, rocks da house

Party people, rocks da house

Party people, rocks da house

Party people, rocks da house Party people, rocks da house

Party people, rocks da house

Party people, rocks da house

Party people, rocks da house Yo, tuna the smoke-jumper, packin' my oral cannon

Bustin' from Okinawa, Japan to Laurel Canyon

Swallow flows, we turning like plush tires

Mellow intros, lyrics be burning like brush fires Spreading vocal leprosy using discrepancy

Lyric weaponry lessens your chances of testing me

Stop and freeze MC's, I block atrocities

True philosophies from the lips of black Socrates The pocket-pencil in your peninsula

Killing Dracula MC's who bit from my vernacular

I can back it, the ill scene we occupy

No lullaby, got you high, when I rock a fly Verse, for my people, let me breath slow

Give a heave-ho, and stimulate your cerebral system

Cut Chemist grip the fader with Tuna the group debater

We murder you duplicators, 'cuz I'm an aristocrat, ghetto diplomat And I'm blessed with the gift for rap it's like

that rocks da house

I, the aristocrat, ghetto diplomat

And I'm blessed with the gift for rap, it's like that rocks da house Yo they call me Mister Antagonistic, drastic

Comin' from a place where these cops get their ass kicked

The last trick unified was the cornerstone

A lyric pistol to the dome is how we warn a clone Born alone, the strength of god makes my mission higher

They found the liar dead, strung up with fishin' wire

The mystifier packin' vocal artillery
Makin' lovely word connections like Chuck Woolery
The cool in me, I'll make your block turn on one rhyme
Electrifyin' like some nocturnal sunshine
The planetary pioneer and his mixer
Cut chemist Chali tuna spittin' scriptures
Paintin' pictures even sisters adapt 'cuz
We take it back like chiropractors
Fuckin' actors on wax make worse for real
Mc's who worth your while and so they search for me
The aristocrat, ghetto diplomat
And I'm blessed with the gift for rap, it's like that rocks da house
I, the aristocrat, ghetto diplomat
And I'm blessed with the gift for rap it's like that rocks da house
Should I let, should I let aha, one two, one,
two, check it
Yo should I let ya know
Should I mention that you lost a vital part of your body
In competition with the T to the U N Ah, the bread winner
Lyrical lead spinner, that's hittin' you dead center
I the aristocrat, ghetto diplomat
And I'm blessed with the gift for rap it's like that rocks da house
Yo, yo, it's like that y'all, it's like that
Everybody out there y'all, it's like that
My name is tuna fish, y'all, it's like that
And we are Ozomatli, it's like that yo
I the aristocrat, ghetto diplomat
And I'm blessed with the gift for rap, it's like that
