Twenty-Four Hours a Day

Twenty-Four Hours a Day by Reggie and Ladye Love Smith

Jesus is my Savior and Lord
Jesus is all that I'm living for
He picked me up when this world had let me down
I'll never forget the way I felt
When at an old-fashioned altar I knelt
He took away my burdens and turned my life around

CHORUS
Twenty-four hours of every day
He's walking right beside me every mile of the way
He's put me through the valleys and the trials that I must face
Closer than a brother, more than a friend
He's guided me through this world I'm in
He's walking right beside me
Twenty-four hours a day

Minute after minute, year by year
Every single second, He is here
He said He'd never leave me and I'd never be alone
He's there when I'm sleeping; He's there when I wake
He's holding my hand every step I take
I never have to worry 'cause I know He'll lead me home

Repeat CHORUS
He's walking right beside me twenty-four hours a day
He's walking right beside me twenty-four hours a day
