Pressure

Paramore

Tell me where our time went
And if it was time well spent
Just don't let me fall asleep
Feeling empty again'Cause I fear I might break
And I fear I can't take it

Tonight I'll lie awake, feeling emptyI can feel the pressure, it's getting closer now We're better off without you

I can feel the pressure, it's getting closer now
We're better off without youNow that I'm losing hope
And there's nothing else to show
For all of the days that we spent

Carried away from homeSome things I'll never know

And I had to let them go

I'm sitting all alone feeling emptyI can feel the pressure, it's getting closer now

We're better off without you

I can feel the pressure, it's getting closer now

We're better off without you

Without youSome things I'll never know

And I had to let them go

Some things I'll never know

And I had to let them go

I'm sitting all alone feeling emptyI can feel the pressure, it's getting closer now

We're better off without you

Feel the pressure, it's getting closer now

You're better off without me
