

# We Make It Bounce

[Dillon Francis](#)

Me love when you roll it, oh ma ma ma ma  
So make me control it, oh na na na na  
When she a back it up and a look pon me  
And a eye contact me a pray  
Move up ya body, ay gal When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce We make it bounce Me love when you roll it, oh ma ma ma ma  
So make me control it, oh na na na na  
When she a back it up and a look pon me  
And a eye contact me a pray  
Move up ya body, ay gal When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce Make it bounce up, make it bounce up, make it bounce up  
We make it bounce
