Electric

Auryn

Hey, I got my eyes on you
I see those things you do
Every day
Babe, I need your CPR
Kick start my lonely heart
What do you say?
I think it might be crazy,
Hoping a stranger saves me
Oh, help me from myself
'Cause you're so beautiful
I go and risk it all
Take a deep breath and go in
1, 2, 3, 4!
Shock, drop to the floor
Oh you've got a hold in my heart
A hole in my heart, oh, oh
Don't stop, give me your kisses
Are electric in the dark
Electric, electric,
Oho, oho, electric, electric,
Oho, oho, electric, electricHey, I feel your paws on me
I need to feel your spirit
To be okay
Hey, there's a familiar rush
When your fingers tough me
Everywhere
Are you an angel fallen
To stop my heart from stalling
You save me from myself
'Cause you're so beautiful
I go and risk it all
Take a deep breath and go in
1, 2, 3, 4!
Shock, drop to the floor
Oh you've got a hold in my heart
A hole in my heart, oh, oh
Don't stop, give me your kisses
Are electric in the dark
Electric, electric,

Oho, oho, electric, electric,
Oho, oho, electric, electricStarry, starry flashing lights
When you bring me back to life
I see my dreams in your eyes
When you say my nameStarry, starry flashing lights
When you bring me back to life
I see my dreams in your eyes
When you say my nameShock, drop to the floor
Oh you've got a hold in my heart
A hole in my heart, oh, oh
Don't stop, give me your kisses
Are electric in the darkShock, drop to the floor
Oh you've got a hold in my heart
A hole in my heart, oh, oh
Don't stop, give me your kisses
Are electric in the dark
Electric, electric,
Oho, oho, electric, electric,
Oho, oho, electric, electric
