

# Driving Rain

Paul McCartney

One, two, three, four, five  
Let's go for a drive  
Six, seven, eight, nine, ten  
Let's go there and back again, oohSomething's open, it's my heart  
If something's missing, it's when we're apart  
If something's good, it's when we're back together againNothing's wrong it's just insane  
Nothing's right until you're back again  
Nothing's broken when it's softly spoken  
And we're walking slowly down the laneWhy don't we drive in the rain?  
Straight to the eye of the hurricane  
Go for a ride in the driving rainOne, two, three, four, five  
Let's go for a drive  
Six, seven, eight, nine, ten  
Ooh, oohOne, two, three, four, five  
Let's go for a drive  
Six, seven, eight, nine, ten  
Let's go there and back again  
Baby, babyYou come walking through my door  
Like the one that I've been waitin' for  
Letting sunshine in the darkest places  
When I've been goin' there againSo why don't we drive in the rain?  
Straight to the eye of the hurricaneWhy don't we drive in the rain?  
Straight to the eye of the hurricane  
Go for a ride in the driving rainOne, two, three, four, five  
Let's go for a drive  
Six, seven, eight, nine, ten  
Ooh, oohOne, two, three, four, five  
Let's go for a drive  
Six, seven, eight, nine, ten  
Let's go there and back again  
Baby, babyOoh, driving rain  
Why don't we drive in the driving rain?One, two, three, four, five  
Ooh, ooh  
Six, seven, eight, nine, ten  
Let's go back againOne, two, three, four, five  
Let's go for a drive  
Six, seven, eight, nine, ten  
Let's go there and back againYou come walking through my door  
Like the one that I've been waitin' for
