

It's True (feat. Toby Groves)

Sara Groves

In your heart you know it's true
Though you hold no expectation
In the deepest part of you
There's an open hesitation But it's true, kingdoms and crowns
A God who came down to find you
It's true angels on high
Sing through the night, Alleluia Heard it told you, think it's odd
The whole thing fraught with complication
The play begins with Baby God
And all His blessed implications But it's true, kingdoms and crowns
A God who came down to find you
It's true angels on high
Sing through the night, Alleluia, Alleluia, Alleluia But it's true, kingdoms and crowns
A God who came down to find you
It's true angels on high
Sing through the night, Alleluia But it's true, kingdoms and crowns
A God who came down to find you
It's true, oh, angels on high
Sing through the night, Alleluia In your heart you know it's true
In the deepest part of you
It's true, it's true
