

Monifah's Anthem/Bad Girl

Monifah

Bitch, check this All the bad girls everywhere, yeah
I want y'all to rock it
Get up on that floor, shake that ass
Show 'em how bad you are Drop dead in my Gucci threads
Hair real wild with the brightest smile
Feeling hot, I'm ready to get loud
And in your mind I leave you with no doubt That I'm a bad girl, bad girl
You're such a little bad girl
(C'mon, yeah that's me) Bad girl, bad girl
You're such a little bad girl
(C'mon)
Bad, bad, bad, bad girl
Bitch, check this But ain't no doubt on how I get down
You'll always know when I'm in your town
I jet set from east to west
And when I groove just give me my room I'm a bad girl, bad girl
You're such a little bad girl
(Yeah that's me)
Bitch, check this Bad girl, bad girl
You're such a little bad girl
(Yeah that's me)
Bad, bad, bad, bad girl Mo' none of the hoes can stop our flow
We've been doing this since 84
Iron Maiden, don't let the hype get it twisted
I'm bad to the bone, bitch, check this What you gettin' now, we've don' seen in triplets
Before record deals, we were still chicken
And we's the kind of chicks that they love to hate
Playin' both sides of the game and still hold weight Bad girls, take yours in your own state
Bad girls break rules of taboo in the worst way
But when it's said and done, we still get the pay
Without videos or a little bit of fame Bad girls never depend on the next nigga's change
His dough is only here just to add to our cake
Follow that rule and y'all gon' to be okay
We learned from the baddest, remember our names
What's my motherfuckin' name? Bad girl, bad girl
You're such a little bad girl
(Yeah that's me)
Bitch, check this Bad girl, bad girl
You're such a little bad girl

(I know, yeah that's me)
Bad, bad, bad, bad girlBad girl, bad girl
You're such a little bad girl
(Yeah that's me)
Bitch, check thisBad girl, bad girl
You're such a little bad girl
(Boy, I know, yeah that's me)
Bad, bad, bad, bad girlBad girl, bad girl
You're such a little bad girl
(Yeah that's me)Bad girl, bad girl
You're such a little bad girl
(Yeah, oh that's me)
Bad, bad, bad, bad girlBad girl, bad girl
You're such a little bad girl
(Yeah that's me)
Bitch, check thisBad girl, bad girl
You're such a little bad girl
