

The Last Garrison (S.P.Y Remix)

Enter Shikari

Can you hear the war-cry?The adrenaline bursts through the riverbanks

Welcome to the skirmish (I can't feel my legs)

Give me morphine, give me morphine, give me more!No doubt

This is a tragedy for all

(But it ain't over yet)

Head's up and thank fuck you're still alive!Still air in my lungs

Still blood in my veins

(We're part of the last garrison)

Still alive

Still air in my lungs

Still blood in my veins

(We're part of the last garrison)I wanna lie here and soak up the sun

But do not alight here, you cannot outrun

"this could be the end" he said, "the end my child"

So I made good use of my face and I smiledCan you hear the war-cry?The epinephrine plows through the

barriers

Welcome to the skirmish (I can't feel my arms!)

Give me opium, give me opium, give me help!No doubt

This is a tragedy for all

(But it ain't over yet)

Head's up and thank fuck you're still alive!Still air in my lungs

Still blood in my veins

(We're part of the last garrison)

Still alive

Still air in my lungs

Still blood in my veins

(We're part of the last garrison)I wanna lie here and soak up the sun

But do not alight here, you cannot outrun

"this could be the end" he said, "the end my child"

So I made good use of my face and I smiledLet's toast to the fact we got this far

Let's toast to the fact we got this farThe adrenaline bursts through the riverbanks welcome to the skirmish)

The epinephrine plows through the barriers welcome to the skirmish

The adrenaline bursts through the riverbanks welcome to the skirmish)Head's up and thank fuck you're still

alive!Still air in my lungs

Still blood in my veins

(We're part of the last garrison)

Still alive

Still air in my lungs

Still blood in my veins

(We're part of the last garrison)Head's up and thank fuck you're still alive!Still air in my lungs

Still blood in my veins

(We're part of the last garrison)

You're still alive

Still air in my lungs

Still blood in my veins

(We're part of the last garrison)Yeah we're still alive
