

Keep Your Head Up

Ben Howard

I spent my time watchin'
the spaces that have grown between us.
And I cut my mind on second best
or the scars that come with the greenness.
And I gave my eyes to the boredom,
still the seabed wouldn't let me in.
And I tried my best to
embrace the darkness in which I swim.
Now walkin' back down this mountain
with the strength of a turnin' tide.
Oh the wind's so soft on my skin,
the sun so hard upon my side.
Oh lookin' out at this happiness,
I search for between the sheets.
Oh feelin' blind and realize,
All I was searchin' for was me.
Ooh ooh all I was searchin' for was me.
Keep your head up, keep your heart strong.
No, no, no, no.
Keep your mind set, keep your hair long.
Oh my my darlin' keep your head up, keep your heart strong.
No, no, no, no.
Keep your mind set in your ways, keep your heart strong.
I saw a friend of mine the other day,
and he told me that my eyes were gleamin'.

Oh I said I had been away, and he knew,
oh he knew the depths I was meanin'.
And it felt so good to see his face
or the comfort invested in my soul.
Oh to feel the warmth of a smile,
when he said "I'm happy to have you home."
Ooh ooh I'm happy to have you home."
Yeah, keep your head up, keep your heart strong.
No, no, no, no.
Keep your mind set, keep you hair long.
Oh my my darlin', keep your head up, keep you heart strong.
No, no, no, no.
Keep your mind set in your ways, keep your heart strong.

'Cause I'll always remember you the same.
Oh eyes like wild flowers within demons of change.
May you find happiness there,
May all your hopes all turn out right.
Keep your head up, keep your heart strong.
No, no, no, no.
Keep your mind set, keep you hair long.
Oh my my darlin', keep your head up, keep you heart strong.
No, no, no, no.
Keep your mind set in your ways, keep your heart strong.
'Cause I'll always remember you the same.
Oh eyes like wild flowers within demons of change.
