Two Steps

Ollabelle

Oh, Lord,
take me, Iâ€™m yours
Iâ€™m ready for
the land of stars.
Iâ€™ve been
searching the skies
ready to go on home.

Please, Lord,
open my eyes
to leave all disguised
as comfort and joy.
Shine, Lord,
through the dark night
the glorious light of your love.

Two steps
away from my Lord.
I can almost hear my name.
Two steps.
Iâ€™ll follow his voice.
It never walks away.

INSTRUMENTAL

Oh, Lord,
please hear my plea.
Send down to me
your word on a wing
Let me hear
the sound of your voice
Resound and rejoice as I sing

Two steps
away from my Lord.
I can almost hear my name.
Two steps.
Iâ€™ll follow his voice.
It never walks away.

Oh, Lord,
take me, Iâ€™m yours
