Obscene

Over the Ocean

If you must ask you were in my heart always.
If I did not comfort you or say the right things
You were here every time I looked within
I don't know where I've been
All I really know is this seems obscene
Forgive me for what you've seen
All I really know is I've been obscene to you
I wish you luckEvery breath was for you,
Even though you won't believe me
And as I walk away tears flow in my eyes
We both know that this love was never right
I don't know where I've been
But all I really know is this seems obscene
Forgive me for what you've seen
All I really know is I've been obscene to you
I wish you luck, I wish you luck
