Freelove

Headquarters

If you've been hiding from love
If you've been hiding from love
I can understand where you're coming from
I can understand where you're coming fromIf you've suffered enough
If you've suffered enough
I can understand what you're thinking of
I can see the pain that you're frightened ofAnd I'm only here
To bring you free love
Let's make it clear
That this is free loveNo hidden catch
No strings attached
Yeah, just free loveNo hidden catch
No strings attached
Yeah, just free loveI've been running like you
I've been running like you
Now you understand why I'm running scared
Now you understand why I'm running scaredI've been searching for truth
I've been searching for truth
And I haven't been getting anywhere
No, I haven't been getting anywhereAnd I'm only here
To bring you free love
Let's make it clear
That this is free loveNo hidden catch
No strings attached
Just free loveNo hidden catch
No strings attached
Just free loveHey girl, you've got to take this moment
Then let it slip away
Let go of complicated feelings
Then there's no price to payWe've been running from love
We've been running from love
And we don't know what we're doing here
No, we don't know what we're doing hereWe're only here
Sharing our free love
Let's make it clear
That this is free loveNo hidden catch
No strings attached
Yeah, just free loveNo hidden catch
No strings attached

Just free loveNo hidden catch
No strings attached
Yeah, just free loveNo hidden catch
No strings attached
Just free love
