

# She Said Yes

Wilson Pickett

Ooo ooo ooo yeah  
La la la, la la la la la la la (x2) A girl I wanted all my life  
I asked her to be my wife  
She said yes (she said yes)  
I didn't have money for a wedding band  
Still she went & took my hand  
She said yes (she said yes)  
La la la, la la la la la la la (x2)  
Her folks had some other plan  
For her to marry another man  
She said no (she said no, she said no)  
They didn't particularly care for me  
But our love was meant to be  
'Cause she said yes (she said yes, she said yes)  
La la la, la la la la la la la (x2)  
Ooo yeah (Instrumental) Listen, I'm thankful for love I've found  
Thank you for changin' my life around  
Thank you for the love you gave me day by day, oh  
Other love has come & gone  
But our love seems to linger on  
'Cause she said yes, oh yes she did (she said yes)  
While other loves have faded away  
Our love grows stronger day by day  
'Cause she said yes (she said yes)  
(Repeat & fade):  
La la la, la la la la la la la
