Sedatives

T.S.O.L.

accusations, see what you do to me. casteration, cut from reality. conversation, cant hear the things you say. vacation, i'm off on a holiday. i'm pumped full of sedatives. cant take it. im pumped full of sedatives now. suffocation felt like i couldn't breathe. multilation, torn from society. complications, can't face the modern world. institution, lost on another girl. i'm pumped full of sedatives can't take it i'm pumped full of sedatives now. isolation, what do you want from me? cancentration, a camp for reality frustration, who will i be today? vacation, im off on a holiday. i'm pumped full of sedatives can't take it i'm pumped full of sedatives now
