

# She Could Be You

Shawn Hlookoff

I'm haunted by this photograph  
Don't know why  
Every time I look, I get shivers down my spine  
You're such a beautiful face  
I know those eyes  
They take me back in timeShe could be you  
I wouldn't even know  
She could be you  
But that was long ago  
She could be youI wish that I could tell you  
What you don't know  
I dream about that day  
But it's impossible  
In another world,  
I'll be yours tonight  
But I can't break free from this lifeShe could be you  
I wouldn't even know  
She could be you  
But that was long ago  
She could be youI see it all the time  
I know it's true  
A picture doesn't lieShe could be you  
I wouldn't even know  
She could be you  
But that was long ago  
She could be youShe could be you  
She could be you
