

Cherish

MYMP

So tired of broken heart and losing at this game
before I start this dance
I take a chance in telling you
I want more than just romance
You are my destiny, I can't let go baby can't you see
Cupid please take your aim at me

Refrain

Cherish the thought of always having you
here by my side
Baby I cherish the joy, you keep bringing it into my life
(I'm always singing it)
Cherish your strenght, you got the power to make me feel good
And baby I perish the thought of ever leaving, I never would.

11

I was never satisfied with casual encounters
I can't hide my need for two hearts that
bleed with burning love
That's the way it's got to be
Romeo and Juliet, they never felt this way I bet
so don't underestimate my point of view

Repeat Refrain

Romeo and Juliet, they never felt this way I bet
so don't underestimate my point of view

Repeat Refrain
