

Just a Girl (Radio Edit)

Ian Van Dahl

I'm just a girl
Looking for a heartbeat
[in the night...]
Won't stop until I find it,
To know how it feels..

3x

I'm just a girl...

I am ready for love..
I am ready for love!
I am ready for love..
I am ready for love!
I am ready for love..
I am ready for love!
I am ready for love..
I am ready for love!

I'm just a girl
Looking for a heartbeat
[in the night...]
Won't stop until I find it,
To know how it feels..

2x

I'm just a girl...!

I'm just a girl...
