So Strong (feat. Chasing Grace)

Naughty Boy

It started as a minor altercation
The fire didn't need much acceleration
I got no sympathy down the station
Over thinking, over drinking, on the brink of breaking downWhat's wrong about what I've been doing?
'Cause I don't know what I've been doing wrong
And when was it that I became foolish?
'Cause I don't know what a fool I've become
I know I've done things so stupid
And this is the stupidest thing I've done
I've never had stronger feelings
And now I don't feel that strongI'm back where I belong
I'm back where I belongI never took the time to try and understand you
And if I didn't tell you, then I wanted to thank you
Oblivious, I put you under so much pressure
It's amazing, cause the same things happen over and over againWhat's wrong about what I've been doing?
'Cause I don't know what I've been doing wrong
And when was it that I became foolish?
'Cause I don't know what a fool I've become
I know I've done things so stupid
And this is the stupidest thing I've done
I've never had stronger feelings
And now I don't feel that strongI'm back where I belong
I'm back where I belongI'm back where I belong
I'm back where I belong
I'm back where I belong
